Mega Print template: Pull-up banner 1200 x 2000 mm

Finished (trim) size: 1200 x 2000 mm. Red solid line = trim.
Extend background colours and images to the page edge (bleed): top 2, right 2, bottom 150, left 2 mm.
Keep text and logos inside the blue dashed safe area.
The extra 150 mm at the bottom sits inside the stand. Continue your background into it.
Images: 150 dpi at full size is plenty for a banner.
Delete these guides before you export. Supply a PDF, CMYK, fonts embedded, images 300 dpi.
